History

Sobhan Darou Company

(Public Joint Stock) was designed and built in 1976 under the name of Swiran Cosmetics Company (Private Joint Stock) with the participation and technical knowledge of Ciba-Geigy (current Novartis).

This factory was started in 1981 and renamed to Sobhan Pharmaceutical Company in 1985. This company was registered under the name of Sobhan Darou after the establishment of new factory and production lines in 2004.

In 2005, the type of company was changed from private joint stock to public joint stock and with the symbol of (Sobhan) in 2010, the name of the company was included in the list of companies registered in the Stock Exchange Organization.

The far-sighted look of the managers and the sincere efforts of the employees of Sobhan Darou Company, in order to upgrade the technology and the superior quality of the products, have received valid certificates and created a suitable platform for participating in domestic and foreign exhibitions and congresses.
